

We need your help!

Parents, we know the arrival/ departure process is chaotic and fast moving. We need your help to keep it running smoothly and safely for us all. Review the procedure and follow the signs and staff directing you. Please know that school parking lot speed is 5 mph.

Also, **put your cell phone away** while driving, including when picking up or dropping off your children. We all must keep our eyes and attention on the task to ensure safety and efficiency for all.
