

BEAVERTON

Safe Routes to School

Be PALS and get to school safely

Our crossing guards work hard every day to help our children and students get to school safely. Whether on school property or in the community, if you see a crossing guard, please do what they are asking you to do. And slow down! We teach staff and students to be PALS when walking, biking, driving..... Please do the same when you travel throughout the community.

P- Polite: *respect all road users (look out for each other)*

A- Alert: *eyes, ears and brain focused on task (put your phone away!)*

L- Legal: *obey all signs and signals, know your rights AND responsibilities*

S- Safe: *know your abilities to make good choices*

We all must work together to be safe while getting to and from school. Thank you!
