

Wednesday October 10 is International Walk + Bike to School Day

Join children and adults around the world to celebrate the benefits of walking.

International Walk + Bike to School Day is an annual event that promotes walking and biking. We also call it Walk+Roll to celebrate all types of active transportation. It's great for us, our kids and it's great for the community. Why? Because:

- More walking and biking will **reduce traffic congestion** near schools.
- Less traffic congestion means **increased traffic safety** around our schools.
- More walking and biking means **increased physical activity + learning potential**.
- It's FUN!!

[Our website](#) has all the information you need to plan a successful event.

Let me know if your school is participating. I'll deliver your incentives and can help with ideas for your event, maps, ordering enforcement, etc? Let me (lynne_mutrie@beaverton.k12.or.us) know and I'll try to help.
