

Be a Safe Pedestrian

Walking is a fantastic way to get to school and get around town. With so many people sharing the roads we use, we need a few rules to keep us all safe and happy when we use the streets and sidewalks.

1. Keep your **EYES and EARS OPEN**, know what's going on around you.
2. **Cross the street at the corner**, or at a crosswalk if there is one, and obey all traffic signals.
3. **Look left, right, left again**, AND behind before crossing. Continue looking all ways until you reach the other side.
4. Before starting to cross, **make eye contact** with all stopped driver/s so they see you and understand your next move.
5. **Walk on a sidewalk**. If there is no sidewalk, walk on the left side of the street, facing oncoming traffic.
